

AGW 23 Determining Point of View: Plato and Aristotle

Read Ch. 23. Look at the issue statements in the left column and then decided what Plato and Aristotle thought about each one. Write a bullet notes explaining what Plato and Aristotle thought about the issue. In each box, add a quote as evidence from the text to support your ideas.

Issue	Plato's Point of View	Aristotle's Point of View
Women's Capabilities

1.) Do you agree with Plato or Aristotle about the best way to learn about reality? Briefly explain your answer.

2.) You are a young philosopher and you have the chance to study with either Plato or Aristotle. Who do you choose and why?

3.) If Socrates had returned after he died and read Plato's *Republic*, what so you think Socrates would have said about Plato's ideas?
