

Fields of Study Poster

Assignment: To design a poster that teaches about one of the studies we have discussed.

Steps

1. Select a study and think of an appropriate and creative attention getting slogan for the study. Use it as an inspiration for the overall cohesive theme of your poster.
2. Plan out the composition and consider layout. Organize the material and fill the space. Be Creative, think interactive or outside the box...tie in your theme!
3. Design and print the slogan in large neat attention getting letters. Make sure the name of the study is in a prominent place.
4. Carefully select at least 5 different topics, components or aspects of your chosen study. These main categories should be labeled (typed) and include a thesis introduction of a few sentences.
5. Each topic will need at least 3 different specific examples.
6. Each topic or category will need at least one picture/illustration (colorful original drawings, clippings from magazines, pictures from the computer, etc.)
Use large enough, clear pictures and print so that it can be seen from a distance.
7. *Size limitations:* Your poster should be no larger than 11 x 14.
8. On the back: Type up your Bibliography (use at least 3 different sources), be sure to use proper MLA heading and citation format. Check your Standards of Excellence and Works Cited papers for help. Must be double-spaced.
